

Association of

Caledonia

TrailBuilders

CONSTITUTION

The name of the Society is “Association of Caledonia TrailBuilders”, (the “Society”).

1. The purpose of the Society is to provide public amenities for the benefit of the public by:
 - a. designing, developing, and maintaining high-quality, environmentally sensitive, single track, mountain bike trails, primarily to promote mountain biking recreation, safety, and athleticism; and
 - b. developing such trails so that they may also be used by the public for healthy, human-propelled, outdoor activities consonant with mountain biking, such as hiking, running, or snowshoeing.
